Oktoberfest Night A Success

The Oktoberfest held in the village hall was a great evening with lots and beer, food and Oompah. Above are just a few of the costumes conjured up for the evening worn by Lucy, Glyn & Mac.

KICA Bonfire & Fireworks Display

The KICA bonfire night will be held on Saturday 3rd November on the village field behind the tennis courts. As usual hot food and a bar will be provided plus a fantastic fireworks display.

The week before the event the field bottom gate will be open during the day for those who have fuel for the fire. PLEASE only bring sensible items such as clean wood offcuts or garden trimmings. Last year we had general junk thrown on the fire which had to be removed by hand before the fire could be lit.

A Flowery Date For Your 2013 Diary

The first ever Kirk Ireton Open Gardens weekend has been set for 1 and 2 June 2013.

Some brave gardeners of Kirk Ireton met to outline plans for the fundraising event which is timed for the start of next year's Wakes Week. There are up to twelve gardens that will be open up and down the village over the weekend with locals and visitors welcome to tour around the village to see them for a small charge.

The intention is that they will be open to visitors from 1pm to 5pm who will buy a map as their entry. Some of the gardens will offer teas and others will have plant sales, full details will be decided nearer the time.

Car parking will be signposted to keep cars to the edges of the village as far as possible to minimise inconvenience to residents. However it may be busy for a few hours (you never know) and the gardeners hope that locals will see this as a chance to raise money for a good cause. Not to mention generate some revenue for the community shop.

More especially it will also act as an Open Village weekend and give people a chance to visit their neighbours' gardens, admire them, exchange experiences and be an enjoyable social occasion.

More news will follow as plans develop. Meantime put Saturday 1, Sunday 2 June 2013 in your diaries. Contact Emma Yates on 372056 or myself on 370183.

Village Hall Curtains Need A Home

We have the old village hall curtains to get rid of. These are fire retardant and blackout and still in quite good condition. We are happy to give them away for a donation to the village hall funds.

If no one comes forward they will go to the Salvation Army shop. If they are of use to you contact Jan Hall, Chair Village Hall committee.

Happy 1st Birthday, Kirk Ireton Oil Club

Since October 2011, 50 households in and around Kirk Ireton have benefited from the collective purchasing of heating oil. Below is the price comparison (per litre) for the latest order of approx. 20,000 litres. Price per litre inc. VAT:

Halso	0.59290
BD Fuels Ltd	0.59590
Dove	0.59640
Hacketts	0.59750
Total Butler	0.60900
Boiler Juice	0.61551
Emo	0.61770
NWF Fuels Oil	0.61950
Peak Oil	0.62950

In the last twelve months, the total saving on oil has amounted to almost £4,500 but importantly, the collective deliveries meant that instead of 102 lorries coming into the village only 10 or so lorries were required; a HUGE benefit to everyone.

As you may know I have a very keen interest in the 'Just For Dogs' charity based in Brailsford, a 'no kill' refuge with an excellent record for rehoming ill-treated and abandoned dogs, So, I would like to ask

whether any of the 50 households who have benefited from the scheme would consider making a small donation to this very worthwhile charity as a way of passing the 'benefit' forward. Donations can be made to me at Kirkstone House, KI or call me for JFD details on 01335 370797.

Stable Shop Update

We hope you like the revised layout and improvements made over the summer. We have added the drinks machine, table and chairs, relocated the book exchange to proper shelves, repaired the floor, and reorganised and added to the stock, including the popular Saturday croissants. Our next project is to improve the display of frozen goods by replacing the old chest freezer with a more modern unit. We also hope to make it easier and safer for both customers and volunteers to reach the available frozen food stock, especially that currently buried at the bottom.

We are sorry if you have missed a weekend newspaper supplement recently. The newspapers are assembled at 7.30am and on several occasions we were not supplied with supplements by Smiths, the distributors in Nottingham. We do complain to them but their local monopoly makes it difficult to resolve, although Cathy has received promises it will improve.

Our 35 volunteers were invited to a "thank you" lunch on October 17th in the Village Hall. Without the volunteers we would not have a shop: we worked out they are worth £6,759 per year at the

...Village News...Village Clubs & Societies...Village Events...Village Thanks...

minimum wage! If you would like to join them please contact Cathy.

Some brief facts about the shop you may not know:

- The biggest turnover is Newspapers at £17,500 p.a.(however we only make 15% profit on this).
- The highest volume item is 2 litres of semi-skimmed: we sell 2,080 per year.
- The biggest selling bread item is the large white loaf: we sell 1,456 per year.
- Running costs are about £15,000 per year.
- The shop doesn't pay rates: Derbyshire Dales DC grants us an exemption as a Community Shop.
- The premises are provided by Mary and Tony Short.

Finally, the collecting tin has been counted and raised £40 for Macmillan, thank you. Pudsey Bear is now in place collecting for Children In Need.

We hope to see you soon. Remember we now close at 2pm on Saturdays.

Save Our Tennis Nets

The tennis net has been broken and has therefore been removed, until further notice.

Someone has pulled the cable partially out of the net tape and until I can find a way to re-thread it, it is impossible to put the net up. It is hard to see how this could have been done accidentally. People in the various village groups work very hard to provide the amenities we all enjoy and it is very disappointing to see them treated so badly. If the person who did this (or perhaps their parents?!) would like to offer to help repair the damage then that would be great. You can contact me on 370500.

Book Inn

The next Book Inn will take place at 8:30 on Wednesday 14 November in the Barley Mow to read *The Kashmir Shawl* by Rosie Thomas and *The Promise of Happiness* by Justin Cartwright. All welcome.

Zumba Your Way To Fitness!

The village Zumba class was very successful and I'm hoping to host another class if there is enough interest. Feedback from the previous class was that a later time would be better for other people. For those who don't really know what Zumba is... It's a Latin-inspired dance-fitness class, incorporating Latin and international dance movements to create a fun and effective fitness programme.

If you are interested in starting Zumba, please drop me an email with your time preference and we'll take it from there. The options are:

- 1) Thursday 6pm - 7pm
- 2) Thursday 7.30pm - 8.30pm
- 3) Suggest alternative day and time

I look forward to hearing from you soon, and hopefully see you for Zumba! Contact me on: hpsaucey44@hotmail.co.uk or 07742 847758.

The Road Home.

G Allnutt

It is the road to God
that matters now, the ragged road, the wood.
And if you will, drop pebbles here and there
like Hansel, Gretel, right where
they'll shine
in the wilful light of the moon.
You won't be going back to the hut
where father, mother plot
the *cul de sac* of the world
in a field
that's permanently full
of people
looking for a festival
of literature, a fairy tale,
a feathered
nest of brothers, sisters. Would
that first world, bared now to the word
God, wade
with you, through wood, into the weald and weather
of the stars ?

As we allow the seasons and alongside them,
the church calendar, to begin to take us along, from
harvest through memorials and advent, Christmas
and ever on.....each with their joys and sadnesses,
often told in stories and sometimes in ritual, to give
shape to our yearnings, our longings – let us travel
together and share what we discover along the way;
new insights, old insights in fresh ways – for this is
what it means to be childlike and to such is given
the kingdom of *God*
