## Urgent, can you help Juniors' Den?

It is with great sadness that I have to step down from running Juniors' Den youth club. I am appealing for someone to take it on, as the children really enjoy their Thursday night fun in the village hall.

If someone is willing to take it on I can continue the club until the school summer holidays. If nobody comes forward by the 15<sup>th</sup> March I will have to close the club at the end of March as the annual insurance is due for renewal.

Everything is in place, all you/ we would have to do is change the bank and insurance details and collect the equipment, pool table, air hockey and ten pin bowling that I store in my garage. And turn up on a Thursday night 6:30 till 7:30 and have **FUN**. The club has 24 members at the moment; this is a great way to get to know the children of the village and to give them something to do.

**To all Juniors' Den members I am very sorry that I can't carry on running the club, If we do have to close in March you will all get your membership money refunded and we will have a BIG party with all past members invited.**

## Book Inn

### Next meeting at the Barley Mow

### Wednesday March 16 8.30pm

Book Club in the Pub met to discuss **Remarkable Creatures by Tracy Chevalier**. Most of us, but not all, found this an absorbing and easy read. It is a fictionalised account of the real life Mary Anning who was the 19C fossil hunter at Lyme making the first discoveries of early life forms, confirming Darwin's new theories on evolution. Chevalier's work reveals the severe restrictions placed on women's lives, both in poor and genteel circumstances, by a male-oriented society. The next read is **The Help by Kathryn Stockett**

**Celebrate Sister Merle's 90th Birthday.**
